WALK-IN INTERVIEW FOR ENGAGEMENT OF VARIOUS EXPERTS ON CONTRACT BASIS
Advt. No FAGMIL/EXPERTS/2026

FCI Aravali Gypsum and Minerals India Limited (FAGMIL), A Public Sector Undertaking (Mini Ratna Category-II), intends to Engage following Experts on contract basis initially for a period of 11 months and it may be reviewed by the management for extension subject to requirement & suitability.

S. No	Expert Post Name	Stream	No. of posts	Monthly consolidated remuneration
1	Senior Expert	Geologist/Geophysicist/Chemist/Hydro geologist	10	55000/-
2	Middle Level Expert		10	45000/-
3	Expert		10	30000/-
4	Middle Level Expert	Liaison	01	45000/-

GENERAL CONDITIONS

- 1- Eligibility criteria (Qualification and Experience), Key Responsibilities is attached at Annexure-1.
- 2- AGE:- Normally the maximum age limit for all categories of Expert will be 60 years. However, engagement beyond 60 years and up to 70 years may be considered in rare/exceptional cases with the prior approval of the Chairman and Managing Director (CMD), subject to excellent health appropriate for the work and a high level of expertise.

Candidates who are above 69 years of age on the crucial cut-off date are eligible to apply; however, their engagement shall strictly be for the residual period of the 11-month contract up to the date they attain the age of 70 years.

Medical Fitness: Candidates aged 60 and above must provide a medical certificate at the interview.

- 3- Engagement of Experts will be through walk-in interview. The Schedule of interview is as mentioned below :-

Time and Date for Walk-In interview	Address for walk-in interview
Date 28-07-2026 (Tuesday) 10:00 AM	FCI ARAVLI GYPSUM AND MINERLES INDIA LIMITED (FAGMIL), Plot No. 2, West Patel Nagar, Circuit House Road, Ratanada, Jodhpur (Rajasthan) 342011 Tel.No. 291-2948265

- 4- For S.No. 1 to 3 posts
- (A) Preference may be given to candidates having experience in:
- Critical and strategic mineral exploration projects.
 - Geological, geochemical, geophysical, and hydrogeological investigations.
 - Mineral resource estimation and reporting.
 - Work experience with Central/State Government organizations, PSUs, autonomous bodies, and reputed exploration agencies.
 - GIS, Remote Sensing, Data Processing, Modelling Software, and preparation of technical reports.
- (B) The engagement shall be strictly on an “as and when required” basis, depending upon the operational necessity and project requirements. The actual number of experts deployed may vary and shall be aligned with the number of sanctioned projects and approved project requirements. Deployment and joining of the experts shall be effected

only after project sanction and in accordance with NMET norms. This engagement is purely project-based and does not confer any right for regular appointment.

- 5- Only Indian Nationals are eligible to apply.
- 6- Applicants Should bring typed application form on A-4 size paper with all relevant documents in the format attached herein at the time of Walk-In interview.
- 7- Before reporting for walk-in-interview, candidates should ensure that they fulfill all the eligibility criteria mentioned in the advertisement.
- 8- Please note that the Registration for walk-in-interview shall start at 10:00 am at the location mentioned above. The candidate may register themselves upto 12:00 pm only on the above mentioned date and location.
- 9- No TA/DA will be paid for attending interview.
- 10- Verification of Documents with originals: The candidates attending Interview are required to produce original documents/testimonials, along with self attested photo copies, in support of Age, Qualification, Experience, Category, etc. for verification of their eligibility as per notification at the time of Interview. In case the candidate(s) do not produce/submit the required documents before attending Interview, the candidate(s) will not be permitted to attend the Interview. The decision of FAGMIL Management is final in this regard.
- 11- Wherever CGPA/letter grade in a degree is awarded; equivalent percentage of marks should be indicated in the application form as per the norms adopted by the University/Institute. The candidate will have to produce a copy of these norms with respect to his/her University/Institute at the time of Interview. Where no norms have been specified, the CGPA/Grade will be presumed to have been provided on a 10 point scale.
- 12- Candidates are required to mention their date of birth and name as per Matriculation/10th class certificate issued by the recognized Board.
- 13- Candidates should have basic knowledge of working in Computers, MS Office and relevant specialized software.
- 14- Ph.D may be considered as experience (upto 3 years). Otherwise only post qualification employment experience is counted.
- 15- Internship/Apprenticeship training experience will not be counted for Expert.
- 16- Self-employment/own proprietorship experience will be considered as professional work experience if it is accompanied by proper documentation such as GST registration, UDYAM/MSME registration, income tax returns, and bank statements showing business transactions, work order etc.
- 17- If any declaration given or information furnished by candidate proves to be false or if candidate are found to have willfully suppressed any material information, candidate will be liable to be removed from contract service and to such other action as the FAGMIL may deem fit.
- 18- Selected candidate should accept the offer of Expert on contract basis with the aforesaid terms and conditions and join duties within one week from the date of issue of offer letter failing which the offer would automatically stand cancelled without further notice.
- 19- Service of the Expert are liable to be terminated on one month's notice from either side. The Organization reserves the right to terminate the empanelment at any stage without assigning any reason in cases of unsatisfactory performance, misconduct, or violation of terms and conditions.
- 20- Candidates joining FAGMIL are required to produce relieving order of the previous organization at the time of Joining.
- 21- All qualifications should be from recognized University/Institute.
- 22- FAGMIL reserves the right to cancel/restrict/enlarge/modify/alter the requirements/recruitment process advertised, if need so arise, without issuing any further notice or assigning any reason thereto.

- 23- **FAGMIL reserve the right to decide the appropriate domain/category of each expert based on qualification, experience, technical suitability & project requirement. The no. of experts, category of engagement & deployment shall be at the sole discretion of FAGMIL.**
- 24- Maximum Age Cut-Off – Shall be considered last day of the previous month in which the advertisement is being published.
- 25- Post Qualification Experience Cut-Off – Shall be considered last day of the previous month in which the advertisement is being published.
- 26- Any legal proceedings in respect of any matter claim or dispute arising out of this advertisement and/or an application in response thereto can be instituted only in Jodhpur and courts/forums at Jodhpur only shall have sole and exclusive jurisdiction to try any such cause/dispute.
- 27- Candidates against whom a criminal case is pending in a court of law need not apply.
- 28- Selected candidates can be posted anywhere in India, including remote field/project location as per direction of FAGMIL and their remuneration will be fixed as per the package as mentioned above.
- 29- Experts shall maintain confidentiality, professional ethics, integrity, and adherence to organizational rules and safety standards.
- 30- It is to be clearly noted that above engagement are purely on contractual basis. The engagement does not confer any claim on the candidate to see any other temporary/permanent employment with FAGMIL.
- 31- Canvassing in any form will disqualify the candidates from the candidature of the post .
- 32- Candidates are advised to visit FAGMIL's website time to time for subsequent Modifications / Changes (IF ANY) w.r.t. this advertisement.
- 33- In case any ambiguity/dispute arises on account of interpretation in version other than English, English Version will prevail.

General Manager

S. No.	Expert Post Name	Qualification	Experience	Key Responsibilities
1	Senior Expert (Geologist)	M.Sc./M.Tech./B.Tech. in Geology, Applied Geology, Earth Sciences, or equivalent from a recognized University/Institute	Minimum 5 years	Provide technical leadership and strategic guidance for mineral exploration projects, including planning and supervision of geological investigations, geological mapping, drilling operations, data interpretation, target generation, mineral resource assessment, integration of geological, geochemical, geophysical, and drilling data, review of technical reports and exploration outputs, compliance with NMET, GSI, IBM, and UNFC guidelines, and mentoring of field and technical teams.
2	Senior Expert (Geophysicist)	M.Sc./M.Tech. in Geophysics, Applied Geophysics, Exploration Geophysics, Earth Sciences, or equivalent from a recognized University/Institute	Minimum 5 years	Provide technical leadership and strategic guidance for geophysical investigations, including planning and supervision of ground and borehole geophysical surveys, interpretation of complex geophysical datasets, delineation of subsurface structures and mineralized zones, integration of geophysical, geological, geochemical, and drilling data, review of technical reports and exploration outputs, compliance with NMET, GSI, IBM, and UNFC guidelines, and mentoring of field and technical teams.
3	Senior Expert (Chemist)	M.Sc. in Chemistry, Analytical Chemistry, Applied Chemistry, Industrial Chemistry, or equivalent from a recognized University/Institute	Minimum 5 years	Provide technical leadership and strategic guidance for laboratory and analytical activities, including development and supervision of analytical programs, quality assurance and quality control management, validation and interpretation of analytical results, operation and optimization of advanced analytical techniques, review of technical reports, compliance with applicable laboratory standards and guidelines, and mentoring of laboratory and technical personnel.
4	Senior Expert (Hydro geologist)	M.Sc./M.Tech. in Hydrogeology, Geology, Applied Geology, Earth Sciences, Water Resources, or equivalent from a recognized University/Institute	Minimum 5 years	Provide technical leadership and strategic guidance for hydrogeological investigations, including planning and supervision of groundwater exploration and assessment programs, aquifer characterization, groundwater resource evaluation, interpretation of hydrogeological data, integration of hydrogeological, geological, geophysical, and drilling data, review of technical reports and project outputs, compliance with applicable regulatory guidelines, and mentoring of field and technical teams.
5	Mid-Level Expert (Geologist)	M.Sc./M.Tech./B.Tech. in Geology, Applied Geology, Earth Sciences, or equivalent from a recognized University/Institute	Minimum 3 years	Planning and supervision of field programs, geological interpretation, drilling supervision, geological database management, integration of geological and geochemical data, and preparation of Geological Reports.
6	Middle Level Expert (Geophysicist)	M.Sc./M.Tech. in Geophysics, Applied Geophysics, Exploration Geophysics, Earth Sciences, or equivalent from a recognized University/Institute	Minimum 3 years	Plan and supervise geophysical survey activities, process and interpret geophysical data, integrate geophysical and geological datasets, prepare geophysical maps, sections, and technical reports, and support target delineation and exploration programs.
7	Middle Level Expert (Chemist)	M.Sc. in Chemistry, Analytical Chemistry, Applied Chemistry, Industrial Chemistry, or equivalent from a recognized University/Institute	Minimum 3 years	Supervision of laboratory operations, implementation of QA/QC protocols, validation and interpretation of analytical data, operation and maintenance of advanced analytical instruments, method optimization, and preparation of analytical and technical reports.
8	Middle Level Expert (Hydro geologist)	M.Sc./M.Tech. in Hydrogeology, Geology, Applied Geology, Earth Sciences, Water Resources, or equivalent from a recognized University/Institute	Minimum 3 years	Plan and supervise hydrogeological investigations, groundwater assessment studies, aquifer characterization, pumping test analysis, hydrogeological data interpretation, GIS-based studies, and preparation of technical reports and management plans.
09	Expert (Geologist)	M.Sc./M.Tech./B.Tech. in Geology, Applied Geology, Earth Sciences, or equivalent from a recognized University/Institute	Minimum 1 year	Geological mapping, sampling, trenching, pitting, core logging, data collection, preparation of field notes, GIS data entry, and assistance in geological investigations and report preparation.
10	Expert (Geophysicist)	M.Sc./M.Tech. in Geophysics, Applied Geophysics, Exploration Geophysics, Earth Sciences, or equivalent from a recognized University/Institute	Minimum 1 year	Conduct field geophysical surveys, data acquisition, operation of geophysical instruments, borehole logging assistance, preliminary data processing, maintenance of survey records, and assistance in preparation of geophysical reports.
11	Expert (Chemist)	M.Sc. in Chemistry, Analytical Chemistry, Applied Chemistry, Industrial Chemistry, or equivalent from a recognized University/Institute	Minimum 1 year	Sample preparation, chemical analysis of mineral, ore, rock, soil, water, and industrial mineral samples, operation of analytical instruments, maintenance of laboratory records, implementation of laboratory procedures, and assistance in preparation of analytical reports.
12	Expert (Hydro geologist)	M.Sc./M.Tech. in Hydrogeology, Geology, Applied Geology, Earth Sciences, Water Resources, or equivalent from a recognized University/Institute	Minimum 1 year	Conduct hydrogeological field investigations, groundwater monitoring, aquifer testing, data collection, hydrogeological mapping, maintenance of field records, and assistance in preparation of hydrogeological reports.
13	Middle Level Expert (Liaison)	1. Graduate in any discipline from a recognized University. 2. Should be a retired employee of a central government/autonomous body, or statutory body and served for not less than three years at the level of Section Officer/Senior Official (Upto DGM Level). Preference : Candidate having work experience with various Ministry in Delhi.	Minimum 3 years	The key responsibility of this role is to ensure seamless communication and operational support between the FAGMIL and ministry. This involves actively coordinating with various ministries and departments. Managing meeting schedules, hospitality, and administrative arrangements for visiting executives and officials.
